

Moosies in a Tube – Back to School 2026

We're excited to announce the launch of our popular **Moosies "in a Tube"** – in addition to the original Moosies.

Same Moosies, New Format: The same beloved taste that have made Moosies a favourite across Australia, the same deliciousness, with a new texture.

On-the-Go Convenience: Store and distribute frozen, enjoy without mess, easy to open. Perfect for on the run, school canteens, sports clubs and convenience stores

Packaging Benefits: The tube format adds flexibility in handling, storage, and merchandising, appealing to both retailers and consumers looking for portable options.

Consumer demand continues to trend toward **convenient, mess-free snacking solutions**.

Samples available October
